XOOMA XTREME X20

Is exploding World Wide with phenomenon sales!

XTREME X20 is not a filter, not a pill. **X20** is a sachet (teabag) of all natural ingredients that transforms water into a "Super Beverage" that will cleanse, energize, defend, and alkalize your body like no other beverage. Just drop it in and in minutes it's ready to be enjoyed.

For Super Hydration, Nutrition and Energy, **X20** beats Gatorade, Orange Juice, Red Bull, AMP, Full Throttle, Powerade, Cranberry Juice and many more.

Every sachet of **X20** contains calcium, magnesium and over 70 trace minerals. These essential minerals (electrolytes) become ionic in water allowing them to be easily absorbed.
