

# **BUILD WEALTH WITH THE POWER OF FREE**

Secret of building wealth is to be able to give away something **FREE** that people want and make money. *AdCalls* allows everyone to choose coupons from local stores and restaurants, national chains and brand names **FREE**.

Who would not like free long-distance service that is easy to use? Plug an inexpensive microphone into your computer and type in the number.

**Call any phone any time FREE.**

There has never been a better system to attract customers. Just offer them **FREE** long-distance phone service with ability to print cost-saving coupons of their choice for **FREE**.

No wonder *AdCalls* and it's advertisers expect to have millions of users and prospects. No wonder many advertisers are lining up, merchants want to offer coupons and businesses want their private label on the dialers and computer dialer icons. YOU can earn large incomes from all of these sources.
